

Thank you for being part of the Gamelender service. We hope that you can borrow different resources to help with boredom busting whilst we are in lock down.

The Gamelender service involves us sharing games, puzzles, Dvd's and console games. We would appreciate if you could look after these items so we can refill the Children's Centre when everything goes back to 'normal'.

We will operate this on a first come first serve basis and you can have your name added to a waiting list if needed. We will operate this as fairly as possible.

Every effort has been taken to protect the items from any sort of germs, but following the governments guidelines we would suggest that you leave the item somewhere safe for 3 days to allow anything harmful to disappear. And much like your grocery shopping to sanitise before use.
